STATUS Draft APPROVED KH

SUPERSEDED

Renaturalised Watercourses

Giving watercourses space to connect to flood plains, creating enhanced habitats around the watercourse

Diverse edges

Complexity and diversity of edges created with layered planting and scrub

Field Boundaries

Respecting existing culturally and ecologically valuable field boundaries and enhancing where appropriate

Enhanced access

Conversion of disused railway into a green way with the potential to connect Llanerch-y-medd and Almwch

Structural tree planting

Woodland planting to provide visual containment and interlinked habitat

- Key**
- Green infrastructure strategic moves
 - Recreation and access strategic moves
 - Proposed / indicative structural planting
 - Area for ground mounted solar arrays and 33kV substations
 - Area for project substation, BESS, and/or solar development
 - Area for 132kV substation, BESS, and/or solar development
 - Mitigation and Enhancement Areas
 - Retained agricultural land
 - Existing public rights of way
 - Retained agricultural land
 - Existing 400kV overhead power line
