

# SUPERSEDED

### Renaturalised Watercourses

Giving watercourses space to reconnect to flood plains, creating and enhancing habitats around the watercourse

### Structural Planting

Enhanced field boundaries to shelter views of solar panels when arriving or leaving Amlwch

### Enhancements

Environmental and recreation enhancements to the former oil storage depot in Rhosgoch to create a locally valued natural space

### Avoiding Local Highpoints

Panels located to give space to local highpoints and drumlins

- LEGEND**
- Area for ground mounted PV arrays and 33kV substations
  - Area for project substation, BESS, and/or solar development
  - Area for 132kV substation, BESS, and/or PV arrays
  - Mitigation and Enhancement Areas
  - Retained agricultural land
  - Existing public rights of way
  - Existing woodland
  - Proposed / indicative structural planting
  - Proposed / indicative opportunities for new access
  - Existing 400kV overhead power line

PO3	Updated following legal review	02/09/2024
PO2	Land for solar revised following client review	29/08/2024
PO1	Land for solar revised following review	21/08/2024
