

- LEGEND**
- Area for ground mounted PV arrays and 33kV substations
 - Area for project substation, BESS, and/or solar development
 - Area for 132kV substation and/or PV arrays
 - Mitigation and Enhancement Areas
 - Retained agricultural land
 - Existing public rights of way
 - Existing woodland
 - Proposed / indicative structural planting
 - Proposed / indicative opportunities for new access
 - Existing 400kV overhead power line

Renaturalised Watercourses

Giving watercourses space to reconnect to flood plains, creating and enhancing habitats around the watercourse

Structural Planting

Enhanced field boundaries to shelter views of solar panels when arriving or leaving Amlwch

Enhancements

Environmental and recreation enhancements to the former oil storage depot in Rhosgoch to create a locally valued natural space

Avoiding Local Highpoints

Panels located to give space to local highpoints and drumlins

PO4	Legend for 132kV and solar updated to remove BESS. Hatch changed for clarity	16/10/2024
PO3	Updated following legal review	02/09/2024
